Participating Providers and Facilities are independent contractors solely responsible for any liabilities, professional or otherwise, arising from his/her or its acts or omissions. As with any directory, frequent changes occur. Smartchoice/Nevada Check Up is not responsible for inadvertent errors or omissions, and no assurance can be given as to complete accuracy.

Tanto los proveedores que participan del plan como las instalaciones que funcionan dentro del mismo son contratistas independientes y como tales están obligados a responder por cualquier responsabilidad legal, profesional o de otro tipo que resulte de sus actos u omisiones. Al igual que con cualquier otro tipo de directorio, en este también se dan cambios frecuentes. Smartchoice/Nevada Check Up no se hace responsable por errores u omisiones inadvertidas, al igual que no es posible asegurar la plena exactitud de esta información.

Participating Providers and Facilities are independent contractors solely responsible for any liabilities, professional or otherwise, arising from his/her or its acts or omissions. As with any directory, frequent changes occur. Smartchoice/Nevada Check Up is not responsible for inadvertent errors or omissions, and no assurance can be given as to complete accuracy.

Tanto los proveedores que participan del plan como las instalaciones que funcionan dentro del mismo son contratistas independientes y como tales están obligados a responder por cualquier responsabilidad legal, profesional o de otro tipo que resulte de sus actos u omisiones. Al igual que con cualquier otro tipo de directorio, en este también se dan cambios frecuentes. Smartchoice/Nevada Check Up no se hace responsable por errores u omisiones inadvertidas, al igual que no es posible asegurar la plena exactitud de esta información.

Participating Providers and Facilities are independent contractors solely responsible for any liabilities, professional or otherwise, arising from his/her or its acts or omissions. As with any directory, frequent changes occur. Smartchoice/Nevada Check Up is not responsible for inadvertent errors or omissions, and no assurance can be given as to complete accuracy.

Tanto los proveedores que participan del plan como las instalaciones que funcionan dentro del mismo son contratistas independientes y como tales están obligados a responder por cualquier responsabilidad legal, profesional o de otro tipo que resulte de sus actos u omisiones. Al igual que con cualquier otro tipo de directorio, en este también se dan cambios frecuentes. Participating Providers and Facilities are independent contractors solely responsible for any liabilities, professional or otherwise, arising from his/her or its acts or omissions. As with any directory, frequent changes occur. Smartchoice/Nevada Check Up is not responsible for inadvertent errors or omissions, and no assurance can be given as to complete accuracy.

Tanto los proveedores que participan del plan como las instalaciones que funcionan dentro del mismo son contratistas independientes y como tales están obligados a responder por cualquier responsabilidad legal, profesional o de otro tipo que resulte de sus actos u omisiones. Al igual que con cualquier otro tipo de directorio, en este también se dan cambios frecuentes. Smartchoice/Nevada Check Up no se hace responsable por errores u omisiones inadvertidas, al igual que no es posible asegurar la plena exactitud de esta información.
